PROGRAMME FOR MEMORIAL DAY

Arrangements for a Fitting Observation of This Significant Day—Two Hundred Soldiers' Graves to be Decorated in the Morning—The Line of March of Parade and Other Useful Information of the Day, Supplied in Commander McComb's Final Orders—Camp Fire in the Afternoon.

Tomorrow, Memorial Day, will be fittingly observed by the soldiers of Davies' post, 187, Grand Army of the Republic, who will be joined in the solemn exercises by the Spanish-American War Veterans in Carbondale.

The programme of the day is given in the final order of Colonel John McComb, commander of Davies' post, who offers some timely suggestions, and at the same time supplies all the desired information of the exercises.

As is customary, the decorating of the graves will be the first work of the surviving soldiers, who will spread flowers over the resting places of two hundred of our comrades whose moulds are scattered among thirteen cemeteries. The Sons of Veterans will assist in this work. All who have flowers to spare are requested to offer them as remembrances of the heroic dead.

The parade will take place in the morning and will start from the post hall at 9 o'clock, following the line of march to Memorial park, as given in Commander McComb's orders. Business men and citizens generally are requested to hoist the stars and stripes to half-mast. Those who have carriages to spare, will do a practical act by allowing the use of them to the veterans during the parade, many of whom are not strong enough to follow the line of march.

In the afternoon there will be a camp fire in the post room, at Salem avenue, which will be a jollification for the old soldiers. Hon. James J. O'Neill will be among the speakers.

The exercises in detail are given in the following order:

Memorial Day Programme.

Headquarters Sergeant William H. Davies' Post, No. 187, Department of Pennsylvania, Grand Army of the Republic, Carbondale, Pa., Wednesday, May 28, 1902. Special Order No. 3.

All flags in the city should be at half-mast during the day.

In honor of our nation's defenders business places and private dwellings should be freely embellished with our country's starry emblem.

Details to adjust flags above the sacred dust of our honored dead should have their work performed by Thursday evening, May 29.

We have about two hundred mounds to visit. They are scattered through thirteen cemeteries. The distance to be covered is great and the work arduous.

Sons of Veterans should be prompt to assist in this work and lighten the labor of the men who were young thirty years ago.

Details to receive floral tributes should be in the post room Friday morning at 7 o'clock sharp.

All people within our precinct who have flowers to spare are invited to send them to the post room, 715 Salem avenue, between 7 and 8 o'clock Friday morning.

The Women's Relief corps will have charge of the work preparing bouquets and chaplets, and they will be delighted to have volunteers.

School children are cordially invited to bring flowers, and assist the workers.

Comrades are all directed to report before 8 o'clock, except on foot march, if possible. There will be work to do.

Until He Found the Right Food.

What a hodge some people go through because their food does not supply the right kind of nourishment to the body. Take the following for example.

A gentleman in Baltimore says: "About two years ago I began to experience a peculiar depression occasionally with pains in the back part of my head and down along the spine. Gradually my eyesight began to fail and my memory grew poor. A general nervousness set in. I used all the will power I could command to help myself but was forced to give up good position and seek the advice of the family doctor. He said neurasthenia and sent me to a great nerve specialist. So for four months I was massaged and dosed with medicine, but all to no benefit; then I went to New York and consulted Dr. J. H. P. He sent me to another great specialist, and he in turn sent me to a Sanitarium where I stayed for a long time.

It was the same old story. I was dosed with medicine and massaged and bathed. Finally I left there and went to another specialist who told me I would only live a few months. This rather frightened me and I placed myself under Dr. —. He said the stomach was at fault and probably I had not been given the right kind of food.

He put me on a certain line of treatment and insisted that I use three or four teaspoonfuls of Grape-Nuts each meal. I was under his care for several months. I steadily improved until now I am fully restored to both mental and bodily vigor.

He explained to me that Grape-Nuts contains a goodly portion of phosphate of potash, a nerve and brain food, and that the food being partially digested the system could make use of it easily. At any rate I got well and both the doctor and myself know that Grape-Nuts made it possible.

I sincerely believe that practically all of our nervous troubles are caused by imperfect nourishment. It was fortunate for me that I could get such a food as Grape-Nuts. You can use this letter, but don't publish my name, please." Name given by Postum Co., Battle Creek, Mich.

arms and ammunition, are requested to report at 8 o'clock, at post room, 715 Salem avenue. All honorably discharged soldiers, sailors and marines are invited to join with us.

Men who have followed the flag in more recent years are cordially asked to participate in the parade.

Patriotic people who have carriages at their disposal, and a generous impulse to assist endeavored comrades to get over the line of march, are invited to have them at post headquarters at 8.30 o'clock, with horses attached.

Drum corps will report promptly at 8 o'clock.

Parade will start at 9 o'clock. All comrades are requested to take part in the parade, and not to assume personal responsibility.

Line of March.
From hall on Salem avenue, up Church street to Main; down Main to Eighth avenue; Eighth avenue to Church street; Church street to Memorial park.

Appropriate services will be observed in the park, after which the parade will be continued on Main street to Salem avenue and thence to headquarters, where the parade will be disbanded.

From headquarters the cemetery details will start on their respective missions, and place tributes of affection and remembrance on the graves of those who heaved the burden of human slavery, and the reveille of universal freedom, liberty and intellectual advancement.

After will be served in the post room by the ladies of the Woman's Relief corps. A camp-fire will be held in the afternoon at headquarters, at which Mon. J. O'Neill and others will talk, and at which the comrades will have a chance to enjoy themselves to their hearts' content.

By order of

John McComb, Commander.

GERRITY-HEALEY

NUPTIALS AT ST. ROSE

An Immense Throng of Young People Attended the Nuptials of Miss Mary Gerrity and Edward J. Healey, Who Are Conspicuous in Carbondale Social Circles.

An immense gathering of young people almost filled the church of St. Rose yesterday afternoon when the nuptials of Miss Mary Gerrity of Dundaff street, and Edward J. Healey, a prominent citizen of Fell township, and equally conspicuous in Carbondale business circles, were celebrated.

The ceremony, the beautiful simplicity of which was a symbol of the lives of the bride and groom, was solemnized by the pastor of St. Rose church, Very Rev. T. P. Coffey, V. G., at 3 o'clock.

A conspicuous feature of the procession of the bridal party to the church was its being drawn to the sacred edifice by the splendid Norman horses of the Columbia Hose company, which were accompanied by the permanent man Thomas Brennan, who wears the company's uniform. Mr. Healey, the groom, is one of the most active and influential members of the Columbia, which explains this interesting departure from the customary procession.

Prof. Stockman rendered the joyful music of the march from Lohengrin, when the bridal procession moved up the aisle, while the expectant assemblage of well-wishing friends showed interest and interest in the couple who shared so deeply in their kind feeling.

The bride was attended by Miss Kittie Healey, of West Scranton, and William Healey, the groom's brother, was his best man. Miss Gerrity was an exquisite bride. She wore a gown of Evening gown, artistically decorated with applique. Her Gainsborough hair of white, completed the picture of loveliness she presented. She carried a bouquet of white roses, in which were mingled lilies of the valley. Miss Healey, the maid, was most becomingly dressed in a gown of old rose, with applique trimmings, and a picture hat. She carried yellow roses and lilies of the valley.

After the nuptial knot was tied and the good wishes and blessing of the pastor were bestowed, the bridal party retired to the strains of Mendelssohn's wedding march.

The reception and dinner followed at the home of the bride's parents on Dundaff street, where only the relatives assembled to honor the occasion. At 10 o'clock, Mr. and Mrs. Healey left for New York city, where they will spend their honeymoon. On returning, they will reside on Dundaff street, and will be at home after June 10.

Mrs. Healey has been employed for nearly ten years as a compositor on the Evening Leader, where her superior and associates so regarded her that they keenly feel her withdrawal, though heartily uniting in wishes for her future happiness. She is a graduate of the Carbondale High school, and has been conspicuous in her social set. Her simplicity of manner and her kind spirit have endeared her to a legion of friends whose best wishes she particularly enjoys on this happy occasion.

Mr. Healey is proprietor of the Anstruthe Cafe in this city, and has a high standing among the business men of Carbondale. He likewise shares the highest regards of those with whom he associates in a social way. He is a member of the Columbia Hose company, and no member is more popular than he. At his home in Fell township, he enjoys the highest confidence of his fellow citizens, holding the office of treasurer of the Fell school board.

At last! Honsdale has accepted a challenge from the Crescents and our "Pets" are to have a try at the formidable team in the Chestnut borough, which we have been reading about.

Manager Dittick, of Honsdale, was in Carbondale yesterday and brought home an agreement not for one game, but for two. The first will be played in Honsdale on Saturday afternoon next, the return game on the following Saturday in Carbondale. At last we are partly satisfied, and will be fully satisfied when we wallop the Maple city tossers.

A very interesting game of base ball will take place on the Lake Lodge grounds Friday morning, when the Belmont Street Crackerjacks will play the Peach Hill Rushers.

TWO JUNE WEDDINGS.

Young People Who Will Wed in St. Rose Church Next Month.

The month of June which is always prolific of marriages, will not be lacking in this respect this year. It can safely be said. Two announcements have already been made of the weddings of two couples from the younger society of the town.

The first of these nuptials will be celebrated in St. Rose church on Wednesday next, June 4, when Miss Catharine Quinn, of Fallbrook street, and John Scanlon, of the same thoroughfare, will be the parties. The ceremony will take place at 9 o'clock in the forenoon.

The other announcement is that of Miss Lucy McDonough, daughter of ex-Common Councilman P. G. McDonough, of Cottage street, and Michael Barrett, son of ex-Chief of Police M. F. Barrett, of Fallbrook street, who will be wedded in the afternoon of Wednesday, June 18, at St. Rose church.

All of the parties are popular among their acquaintances and the announcement of their coming nuptials will be met with numerous hearty congratulations.

AT HIGH SCHOOL TODAY.

Attorney John McCourt Will Deliver the Memorial Address.

This afternoon will be interesting at the High school as it has been dedicated to the observance of Memorial day.

The feature of the exercises will be the address by Attorney John McCourt of Scranton. Mr. McCourt is a vigorous speaker and his patriotic utterances are certain to be timely and to awaken a better appreciation of the spirit of Memorial day.

The High school orchestra will render several selections and the students will join in singing the national anthem.

The exercises will take place in the auditorium, commencing at 2.30. The public is urged to attend, particularly the parents and the soldiers of the Grand Army, who have the example of the students is certain to make a deep impression.

SPANISH-AMERICAN MEN.

Decided at Last Night's Meeting on Memorial Day Exercises.

The Spanish-American volunteers at a meeting last night in the Mitchell company's parlors, decided to accept the invitation of Davies' post, G. A. R., to participate in Memorial day exercises and will be out with a good representation in tomorrow's parade.

President William J. Meyers, of the association, was in the chair. It was

"FRUIT OF THE LOOM."

Men and women of taste and judgment go into ecstasy over the wonderful patterns, textures and colors which are "the fruit of the loom." But there is one

fruit of the loom they rarely consider, and that is the frail and faded woman, old before her time, because necessity compels her to work under conditions, which send her more favored sister to bed and the doctor's care.

The diseases which weaken and torment women, try in almost all cases be cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularly, dries weakening drips, heals inflammation and ulceration, and cures female weakness.

"I had female trouble for eight years," writes Mrs. L. J. Dennis, of 848 East College Street, Jackson, Wis. "I could not expect the medical profession to help me. Friends urged me to try Dr. Pierce's Favorite Prescription. When I commenced taking this medicine I weighed ninety-five pounds—more than I ever weighed before. So soon I would lie from day to day and long for death to come and relieve my suffering. I had internal inflammation, a disagreeable drain, breaking-down pain, and such distress every month, but now I never have a pain—do all my own work and am a strong and healthy woman."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

decided to meet tomorrow morning at 8 o'clock, and proceed thence to Davies' post quarters, at Salem avenue, to be assigned a position in the line of march.

In order to make a worthy impression it was proposed and decided to tender an invitation to Captain Thomas Murphy, of this city, captain of Company C regiment, to assume command of the volunteers in the parade. It is probable that Captain Murphy will give a favorable answer to the committee when it calls on him this morning.

The meetings which the Spanish-American volunteers have had recently filled them with the hope that they could effect a permanent organization. Urged by President Meyers, the returned soldiers decided to this effect, and a meeting was set for Tuesday, June 10, at the Mitchell hose house. Meetings thereafter will be the first Tuesday of each month.

The exemplification consisted in the conferring of the four degrees on fifteen members, five from each of the divisions in this city. The team which did the work was the degree team of the Archibald, the members of whom are expert and whose knowledge of the ritual and whose execution deeply impressed the Carbondale Hibernians, whose first time it was to witness an exemplification of the beautiful and grandly impressive ritual.

The exercises took place in Watt's hall and continued from 8 o'clock until 11. The occasion was one of much social enjoyment, besides the instruction and edification it afforded.
